Spanish Club

DESCRIPTION: After School Spanish Club will be a conversation-based intro class that will give you a solid foundation in speaking the Spanish language. The class will be focused on pronunciation, the ability to have a functional conversation, and feel confident using Spanish. After completing 8 weeks in this course, it is my goal to have all my students be able to travel to a Spanish-speaking country and successfully get by using the skills learned in this course.

GREETINGS FROM THE INSTRUCTOR, ALICIA MEZA-WILSON: I've grown up speaking and studying Spanish, including being involved in the Spanish Club when attending Honey Creek! I really enjoy speaking Spanish and have had the opportunity to travel to Ecuador, South America for four months and really solidify my fluency. I have taught Spanish to English speakers, and I have spent a lot of time teaching English to Spanish speakers, in the States as well as in Ecuador. I am currently a junior at the University of Michigan majoring in Program in the Environment.
