

Part 3 - Executing plan and measuring effectiveness

(30 pts)

Students will be presenting their health projects to their target audience. Have the adult who signed and approved the project fill out the evaluation form below:

Adult Reviewer - Please evaluate the student's performance on their presentation/activity by circling the best answer for each criteria:

Scientific Information: Did the student explain what happens to the human body because of their health issue? Display facts, specific details and research that supported their explanation?

0	1	2	3	4	5
None		Some		Good	Excellent

Presentation/Activity: How well did the presentation go? Did it seem well rehearsed and organized? If activities were involved, were they relevant and age appropriate?

0	1	2	3	4	5
None		Some		Good	Excellent

Data Collection: Students need to collect data on how their presentation affected their target audience's lives or changed habits. Did the data collection seem organized? How well did the students organize it?

0	1	2	3	4	5
None		Some		Good	Excellent
