

Reflective Essay

Due June 9/10

We're almost done! And it is that time of year where I make you write about what you learned, what you liked, and how you've grown. Tell me what you think, and be honest!

Answer the following questions as you write. You can meander from topic to topic, but please devote at least 1 paragraph to each question. **Please do not number a paper 1-4 and then answer each question.** Write this in essay format, in complete sentences, and in paragraph form.

1. What was your favorite unit in Language Arts this year (poetry, fantasy, Romeo and Juliet, or banned books)? Why was it your favorite?
2. What was your least favorite unit in Language Arts this year? Why?
3. How do you feel you have improved as a writer this year? If you do not feel that you have improved, to what do you attribute this lack of change?
4. What would you like to improve on next year? (Even if you are going on to high school or a different school, this still applies.)

Remember, just write honestly and do your best. You can talk about any other things about this year but also answer the four questions listed above.
